The Spa Spot Hot Tubs - Edmonton

9608 51 Ave NW, Edmonton, AB, Canada

Ask a question

Do you deal in Salt water hot tubs? I want a hot tub that has low maintenance and low chemical requirements due to allergies. Can you recommend?

Answer

The Spa Spot Hot Tubs - Edmonton (Owner)

3 weeks ago

Hi there, we can offer salt but there are better alternatives that will deliver cleaner, healthier water, all without you sitting in toxic chemicals. Salt Water systems have a lot more negatives than positives. Come and see us about a UV Sanitizer which uses the power of UVC light which kills 99.9% of microorganisms, bacteria, viruses and parasites. This system is the perfect blend of hygiene, purity and technology.
